REQUEST LETTER FOR 2020 VIRTUAL MIND EDUCATION SPECIALIST TRAINING

Dear Sir Dr. Arturo:

Warmest Greetings from IYF!

IYF (International Youth Fellowship) International Mind Education Institute (IMEI) was founded in 2001, and with the mindset of Challenge, Change, and Cohesion has been leading the way in the education system. IYF Mind Lectures provide the clear analysis of the heart, desire, self-control, isolation, exchange, wisdom and the world of the heart and propose solutions to youth and every individual who lives in a materialistically abundant 21st century, however, cannot control their hearts and grieve due to unseen pain and depression, and to those who are confused and experience conflicts in a rapidly changing world with intense competition. The purpose of this event is to revolutionize the idea of leadership by focusing on the importance of having a leader's heart as an educator, being aware of relevant issues in the country which affect our students' education. We believe that addressing these issues will create the caliber of a leader and educator that is best equipped to lead future generations and have a positive impact on society.

I, Mr. Cho Gi Chun, Director of the IYF Mindanao, am writing to inform you about an exciting opportunity for Supervisors, Principals, Teachers, and students in Region X for professional and personality development that will in return assist them in molding their lives as mentors and future leaders.

Anent to this, the IYF and IMEI Philippines would like to offer this innovative online training seminar "Virtual Mind Education Training". Due to the Pandemic, a mass gathering is impossible to happen and thus makes our educators fail to have a seminar. This time, through the help of modern technology, we want to propose this modified Online training seminar for the teacher/students. This will help our educators to continue their professional development virtually and students also for developing their right mindset. At the same time, they will be engaging more in the modernity of our world, where we think it is very convenient for them to teach their students.

For more information and confirmation, please contact me, IYF Mindanao Director, through the following contact details: 0927-319-8715 or email me at iyfph@yahoo.com. Or you can visit our Facebook Page. <https://www.facebook.com/TomorrowInternationalInstitute>
Thank you for your consideration and I look forward to hearing from you soon.

Sincerely yours,

Cho Gi Chun
Director, IYF Mindanao
