The memoranda should also include a massive information drive about the official platforms as well as **how to use these properly with DepEd printed modules (SLMs).**

There is a need to emphasize that **those who have opted for Modular Learning** (use of printed SLM materials) **can still watch and access the following platforms to complement and reinforce their module:**

- **DepEd TV** if they have TV, cable TV subscription, digital black boxes, and satellite TV;
- **DepEd Commons** if they have cellphones even if without load, and internet connectivity;
- DepEd TV on Facebook via **DepEd Philippines** and **DepEd Tayo** if they have cellphones with load, but can access without data charges; and
- **DepEd YouTube Channel** if they have internet connection

The DepEd Commons and DepEd YouTube Channel will enable video on demand 24/7 – learners, teachers, and parents may watch and download these videos at any time and/or repeatedly.

The use of these platforms with the digital or printed modules (SLMs) truly gives essence to the effectivity of blended learning.

For an effective information dissemination campaign, the memoranda must indicate the local cable channel of IBC-13, and that a copies of the memoranda be disseminated when parents/guardians go to schools to pick-up printed SLMs (modules), and/or when teachers/barangay officials deliver the same to homes of learners.

Through everyone's collaborative effort, the Department can ensure the successful delivery of education to all learners in the new normal.

For widest dissemination and immediate compliance.
