DepEd Task Force COVID-19
MEMORANDUM No. 426
17 June 2021

**For: Execom and Mancom Members
Regional Directors
Schools Division Superintendents
School Heads**

**Attention: Members of the DepEd Task Forces on COVID-19
Health and DRRM Coordinators**

**Subject: TESTING OF THE SELF-REPORTING COVID MONITORING
APPLICATION BEFORE MASS DISSEMINATION**

The Office of the Undersecretary for Administration (OUA), through the Information and Communications Technology Service (ICTS), would like to request all concerned to test the monitoring questions that have been initially prepared by DepEd Task Force COVID-19 (DTFC) on the status of vaccination at the Department via the DepEd Monitoring Application.

This monitoring initiative aims to accurately gather information directly from DepEd's vaccinees and personnel. The Department must take advantage of the prowess and promptness of this tool, because through it, there will be no need for manual consolidation of data in all governance levels (i.e., schools, divisions, and regions). The DepEd Monitoring Application automatically consolidates information and presents reports as soon as the needed information is collected from respondents. It can also generate reports per division and region. Overall, this technology simplifies and lessens administrative tasks and minimizes inaccuracy and errors in data collection.

In this regard, kindly take note of the following and accomplish all necessary steps:

1. **Using your mobile phone, download the Self-Reporting COVID Vaccination App** by clicking it (the hyperlinked texts), or through
