OUA MEMO 00-0122-0029

MEMORANDUM

07 January 2022

**For: COVID-19 Focal Persons
Information Technology Officers
All Personnel Concerned**

**Subject: GUIDELINES FOR THE UPDATING AND RESUBMISSION OF
VACCINATION STATUS THROUGH THE SELF-REPORTING
COVID MONITORING APPLICATION**

The Office of the Undersecretary for Administration (OUA), through the Bureau of Learner Support Services-School Health Division (BLSS-SHD) and the Information and Communications Technology Service (ICTS) with its implementing partner Intelimina Systems, Inc., issues the Guidelines on the Updating of Vaccination Status of Department of Education Personnel through the Self-Reporting COVID Monitoring Application.

All concerned COVID-19 Focals, with assistance of their respective Information Technology Officers (ITOs) shall coordinate with DepEd personnel under their jurisdiction to re-send their vaccination status via the DepEd Monitoring Application. This is particularly important for those DepEd employees or personnel who used other people's mobile gadgets/cellphones to submit their data.

An audit of the data submitted through the DepEd Monitoring Application has revealed groups of personnel that submitted their vaccine status using only one DepEd email account. In such case, only the last response sent through has been recorded in the vaccination reports.

While the monitoring application allows one gadget to be used by many respondents, it is however required and necessary that each user must first log-out from the application and the device before the next user will use the application, logging in with his/her own username/password or DepEd email address.

In this regard, kindly take note of the following and ensure all necessary steps are accomplished:

Office of the Undersecretary for Administration (OUA)

(Administrative Service (AS), Information and Communications Technology Service (ICTS), Disaster Risk Reduction and Management Service (DRRMS), Bureau of Learner Support Services (BLSS), Baguio Teachers' Camp (BTC), Central Security & Safety Office (CSSO))
