1. Pursuant to Section 15 Article II of the 1987 Philippine Constitution, the State shall protect and promote the right to health of the people and instill health consciousness among them. The Department of Education (DepEd) seeks to further protect its high-risk teaching and non-teaching personnel from COVID-19 death with booster vaccinations and provide opportunities for its learners to make informed decisions on COVID-19 and vaccinations. The BLSS-SHD shall coordinate with their counterparts from the DOH to provide the necessary support and assistance for the effective implementation of the abovementioned vaccination efforts. Sessions can be integrated in Science and Health classes. No cancellation or postponement of classes are allowed during these sessions.

Vaccinations can be conducted in the Central Office, in Regional Offices, Schools Division Offices, and DepEd attached agencies' offices. Vaccinations in all the aforementioned offices should be open to the general public who volunteer to be vaccinated or to get their boosters. The CO, ROs, SDOs, and the attached agencies should promote the vaccination in their venues.
