To ensure awareness and preparedness on the impending threat of the inevitable occurrence of an earthquake, even amid pandemic, **Information, Education, and Communication (IEC) campaign in NSED using distant means should be continuously intensified.** A copy of NSED materials can be accessed through <http://tinyurl.com/DepEdNSED2024>.

In addition, **existing earthquake contingency plans of regional and division offices, and schools shall be updated** to incorporate mechanisms, and arrangements that are reflective of the current COVID-19 situation. To ensure minimum public health standards, the conduct of face-to-face NSED may be postponed or cancelled, or the methodology may be modified, if the IATF-EID decides to prohibit mass gatherings in any or all areas of the country due to certain circumstances.

For the post-NSED activities, the self-evaluation and processing of the NSED within respective areas of jurisdiction are encouraged after the conduct of NSED. The Office of Civil Defense (OCD) Exercise Evaluation Guide (EEG) can be used as a guide. The EEG can be accessed on the above link.

Proper documentation and post-activity evaluation of said drill are required. All field offices are advised to make necessary preparations to ensure that the required reports are submitted on time, as indicated in Annex A. Also attached is the NDRRMC Memorandum No. 013, s. 2024 for reference.
