 This Division

1. Regarding Memorandum OUCT-2024-097, following the guidelines stipulated in DO No. 14, s. 2023 title Policy Guidelines on the Implementation of National Learning Camp (NLC). This Office will conduct the activity from July 1 to 19.
2. This policy contributes to the commitment of DepEd to the National Learning Recovery Program (NLRP), which aims to close learning gaps and assist K to 12 learners in all public elementary and secondary schools nationwide in attaining learning standards.
3. Teachers are encouraged to provide regular updates to parents or legal guardians on their children's learning progress either through phone calls, letters, notes, or one-on-one conferences. Feedback and recommendations to support their children may be formally communicated through a Parent-Teacher Conference that can be scheduled midway through the NLC or at its conclusion.
4. Recognizing the critical role of teachers in improving learning outcomes, the NLC has a two-fold purpose: improving learner performance and strengthening teacher capacity.
