Dear Ms. Usman:

Greetings from the Philippine Science High School (PSHS) System!

The PSHS System offers scholarships to deserving students, providing them with a STEM-focused curriculum designed to prepare them for careers in science and technology. Our aim is to reach talented incoming Grade 7 students nationwide who show high aptitude in science and mathematics.

We are delighted to announce that the application period for incoming Grade 7 students for AY 2025-2026 began on June 10 and will conclude on October 10, 2024. The National Competitive Examination (NCE) for aspiring PSHS students will be held on November 16, 2024, at designated testing centers nationwide.

Applications can be submitted online at nce.pshs.edu.ph or in person at PSHS Campus, DOST Regional Offices, and Provincial Science and Technology Offices (PSTO) in your province. Further details about the PSHS NCE, including eligibility requirements and required documents, can be found on our website at pshs.edu.ph. Additionally, a team from PSHS will conduct a school-to-school caravan to promote the NCE in various municipalities. We kindly request schools under your division to accommodate our team for orientation sessions with your students.
