 Public Elementary and Secondary School Heads
 All Others Concerned
 This Division

- As DepEd share with DSWD the common goal of equipping children with an educational foundation and promoting their overall well-being, the program aims to sustain children's and youth's interest in school and increase enrollment rates, especially among Pantawid Pamilyang Pilipino Program ((4Ps) Not Attending School (NAS) children. These children often face barriers due to supply-side gaps such as distance, inaccessibility due to geographic challenges or no proper road access, unavailability of school or health facilities, insufficient personnel (Teacher/Volunteers), and inadequate classrooms and chairs. These challenges pose significant risks to our program goals.
- Relative to the letter of request from the Department of Social Welfare and Development (DSWD) Region X, this Office through the School Governance and Operations Division will conduct data gathering on DSWD 4Ps Supply Side Assessment Validation for school year 2024-2025.
- In this light, school heads shall accomplish the Microsoft Excel Template through this link: https://bit.ly/DSWD_4Ps_SSA_Validation on or before October 14, 2024.
- See attached template for the data to be gathered.
- For immediate dissemination and compliance.
