DIVISION MEMORANDUM  
 No. 354, s. 2024

**MOP-UP for SCHOOL BASED IMMUNIZATION PROGRAM**

To: Assistant Schools Division Superintendent  
 Chief Education Supervisors (CID & SGOD)  
 Education Program Supervisors  
 Public Schools District Supervisors  
 Elementary and Secondary School Heads  
 All Others Concerned

1. Immunization protects against vaccine-preventable diseases like measles, rubella, tetanus diphtheria, and HPV. The School Based Immunization (SBI) Program was established in 2013 and held annually in public schools until the COVID-19 pandemic.
2. It is essential to implement the School Based Immunization (SBI) Program. The full resumption of face-to-face classes increase the risk of school learners contracting vaccine-preventable disease (VPDs). The SBI Program should revert to a school-based setting considering the return to in person classes.
3. To ensure all Grade 1, Grade IV and Grade 7 learners immunized with the Measles Rubella (MR), Tetanus Diphtheria (TD) and HPV, a Mop Up School Based Immunization every Thursdays and Fridays for the month of November 2024 will be conducted to provide opportunities for those learners have been missed and parents who decided late/ doubtful to vaccinate their child during the first round of schedule.
4. In this connection the School Administrators are requested to continue advocacy campaign and collection of parents of consent for those willing to vaccinate their child.
5. Attached are the schedule date of school for Mop Up of SBI
6. Immediate dissemination of this Memorandum is desired.

**SHAMBAEH A. ABANTAS-USMAN, PhD, CESO VI**  
 Schools Division Superintendent
