**DIVISION MEMORANDUM**  
No. 020, s. 2025

**DIVISION INITIATIVE ON SCHOOL-FUNDED SPORTS PROGRAMS AND SCHOOL-BASED TRAININGS FOR NMRAA 2025 QUALIFIERS**

To: Assistant Schools Division Superintendent  
Chief Education Supervisors (CID and SGOD)  
Education Program Supervisors  
Public Schools District In-Charge (PSDICs)  
Elementary and Secondary Teachers and School Heads  
All Others Concerned  
This Division

1. With reference to DO 25, s. 2015 (Implementing Guidelines on the Special Programs in Sports), schools must address the needs of learners in different sports discipline and create a pool of athletes who will be trained to compete sports competitions. Further, programs for sports and physical fitness activities shall remain part of the basic education curriculum (RA 9155). Hence, all schools are enjoined to strengthen the school sports programs by allocating funds to be reflected in the schools' Annual Procurement Plan (APP) to support and sustain sports activities to enhance and strengthen the foundation of psychomotor skills, discipline, and the development of good manners and right conduct among learners.
2. Moreover, the 68 gold medalists for regular sports and 2 gold medalists for demo sports (*see attached*) from this Division during the 2<sup>nd</sup> Provincial Meet will advance to the participation for the Regional Meet this coming March 2025. Hence, schools from where the athletes came from are highly encouraged to support their school-based trainings through allocation of local funds.
3. Funds may be taken from school MOOE or other local funds (PTA/Alumni/LGU) subject to the approval of officers/board to defray for sports uniforms, food, travel, and sports activities expenses during the participation for Division, Provincial, Regional, and National Meet.
4. For immediate dissemination and compliance.
