This year's *Palarong Pambansa* shall continue to adopt the **Qualifying Standards** for measurable sports such as Athletics, Swimming, and Archery. However, only the **top 2 qualifiers per region** for Athletics and Swimming and **top 4 qualifiers per region** for Archery shall advance to the *Palarong Pambansa* national competitions. The **gold medalist/s** shall be considered to advance and compete in the national games in cases where there is/are no regional qualifier/s. Enclosed herewith is the **Qualifying Standards for Measurable Sports in the 2025 Palarong Pambansa** for easy reference.

A **Modified Winner-Take-All** policy shall be adopted for all team sports (Basketball, Baseball, Softball, Football, Futsal, Sepak Takraw and Volleyball) in this year's *Palarong Pambansa*, pursuant to the provisions of *Palarong Pambansa* Board Ad Referendum Resolution No. 2025-001 entitled *Adoption of the Modified Winner-Take-All Policy for Team Sports in the 2025 Palarong Pambansa*, as follows:

*"WHEREAS, the modified Winner-Take-All policy shall feature the primary essence of the policy which is to form a team represented by the winning school, with its core players consisting of bona fide athletes enrolled in that school, while allowing the inclusion of additional athletes from other schools to strengthen the team and ensure the representation of the best players from the division or region;*

*WHEREAS, the final team roster for all team sports advancing to the division meets, regional meets, and the Palarong Pambansa national level shall consist of the core team of twelve (12) to eighteen (18) players from the winning team as determined by the specific requirements of each sport, which must be maintained in its entirety throughout the competition, and up to three (3) additional players who may be selected from other schools/ teams within the same district, division, or region, as the case may be, provided that such players have qualified and participated in the lower meets;*

*WHEREAS, the selection of additional players shall be at the discretion of the coach of the winning team, subject to prior consultation with and approval of the respective schools and teams of the additional players;*

provided, however, that the coach of the winning team retains the prerogative to modify the selection of additional players as the team advances to succeeding higher-level meets and/or the Palarong Pambansa;

WHEREAS, these additional players shall be part of the official team roster (e.g., Basketball: 12 core players + up to 3 players from other teams; Football: 18 core players + up to 3 additional players from other teams), thereby superseding the provision in Item No. 13 of DM No. 35, s. 2023, which previously designated the three (3) additional players as mere alternates;

WHEREAS, the coach of the winning team also has the option to select his/her preferred assistant coach as may be applicable, who may come from the winning school or from a different school that participated in the lower meets, provided that the assistant coach meets the eligibility requirements set forth under existing Palarong Pambansa guidelines;

WHEREAS, expenses to be incurred for the participation of additional learner-athletes for the Palarong Pambansa shall be borne by the division and/or regional delegations, subject to the availability of funds therefor."

**Pencak Silat** and **Pole Vault-Secondary Girls (Athletics)** will be featured as a regular sport; **Weightlifting** as a demonstration sport; and **Kickboxing** as an exhibition sport in this year's Palarong Pambansa.

The no disruption of classes policy, as stipulated in DepEd Order No. 09, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*, shall be strictly observed during the conduct of the 2025 Palarong Pambansa competitions.
